FREQUENTLY ASKED QUESTIONS

Why is there a baptismal preparation class, can't we just show up and have our child baptized?

Baptism is a major event and thus careful preparation is needed. Baptism places serious responsibilities and demands upon parents and godparents. You have a right to know about these responsibilities and the baptismal preparation program will provide you with the answers.

When and Where is the baptismal program?

The baptismal preparation program is usually held on the first Thursday of every month from 7PM to 8:30 PM in the school library. You must call the parish office and register for the class.

What can we expect to learn from the baptismal preparation program?

Parents and godparents will be given practical guidance in introducing their small children into our Catholic Faith as well as discussing the lifelong commitments of Christian parenting. You will also learn about the elements of baptism, as well as the ritual, signs, and symbols of the sacrament.

Do both parents have to attend the program?

No, only one parent **MUST** attend, but it is highly encouraged that both do.

Do the godparents have to attend the program?

No, but they are invited and encouraged to participate throughout the entire process.

Can other family members or friends attend?

Yes. The entire family and significant friends of your family are welcomed to attend and participate.

What are the requirements to be a godparent?

According to Church Law:

It is only necessary that one godparent be chosen for your child. If however, you choose to have two godparents, one must be male and one must be female.

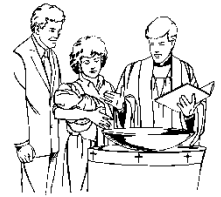

A godparent must:

Be a baptized Catholic

Be at least 16 years of age

Have already received their First Eucharist

Have received the Sacrament of Confirmation

A baptized non-Catholic may stand as a witness with a Catholic godparent.

A parent can not be the godparent for his or her child.

The Godparent should be a practicing Catholic in good standing. Godparents are asked to provide a sponsor certificate from their parish indicating their eligibility to act as a godparent. The godparent can have their parish send the certificate directly to St. Ann's.

Parents should make certain that the person being considered to be a godparent meets the above conditions before asking them. The role of the godparent presumes a significant influence in the future life of the child. It is fitting that this person may eventually be chosen for Confirmation sponsor.

What do we need to do after we participate in the preparation class?

Simply call the parish office to schedule your child's baptism.

When is the sacrament of baptism celebrated at St. Ann's?

Baptisms are usually celebrated on the second and third Sundays of every month, following the 11:30 AM Mass.

How much does a baptism cost these days?

The Church does not charge for sacraments so there is no fee. Expenses for baptismal candles, garments, etc., are covered by the parish, so your weekly support of the collection is crucial and greatly appreciated.
